

Privacy Policy

Effective Date: July 2019

The following Privacy Policy governs the online information collection practices of Data Science institute("Company," "we" or "us"). Specifically, it outlines the types of information that we gather about you while you are using **any affiliated websites of Company**, and the ways in which we use this information. This Privacy Policy applies primarily to information which we collect online.

By accessing the Site, you expressly consent to the collection, use, disclosure and storage of your information and other information received by us as a result of such use in accordance with this Privacy Policy and the Terms of Service or your consent, and as permitted or required by applicable law. If you do not agree with the terms of this Privacy Policy or the Terms of Service, you should immediately stop using or accessing the Site. Please note that the Site may be hosted in countries other than yours, including the United States. By accessing the Site, you expressly consent to the transfer of your information outside of your home country, which may provide for different data protection rules than in your country. We may use of third-party service providers, including service providers located in Canada, the United States and the European Union to store and process data, including your information, on our behalf. When acting on our behalf, such service providers are only authorized to collect, use, disclose or store personal information as described in this Privacy Policy. However, the government, courts, law enforcement, security, or regulatory agencies of a particular country may be able to obtain access to or disclosure of personal information as permitted by the laws of that country.

Please read this Privacy Policy carefully. By visiting and using the Site, you agree that your use of our Site, and any dispute over privacy, is governed by this Privacy Policy. In an effort to comply with changes in technology, and the adoption of new regulations and laws, we may need to change our Policy at some point in the future, in which case we'll post the changes to this Privacy Policy on this website and update the Effective Date of the policy to reflect the date of the changes. By continuing to use the Site after we post any such changes, you accept the Privacy Policy as modified.

Introduction

We may collect and store personal or other information that you voluntarily supply to us online while using the Site (e.g., while on the Site or in responding via email to a feature provided on the Site). We contact individuals who specifically request that we do so or in the event that they have signed up to receive our messaging, or have purchased one of our products or services. The Site collects personally identifying information from our users during online registration and online purchasing. Generally, this information includes name and e-mail address for registration or opt-in purposes and name, email address, and credit card information when purchasing our products or services. All of this information is provided to us by you.

We also collect and store information that is generated automatically as you navigate online through the Site. For example, we may collect information about your computer's connection to the Internet, which allows us, among other things, to improve the delivery of our web pages to you and to measure traffic on the Site. We also may use a standard feature found in browser software called a "cookie" to enhance your experience with the Site, and web beacons, to access cookies, count users who visit the Site, the date and time of visits, the pages viewed, time spent on our site, websites visited before and after our site, IP addresses, or open HTML-formatted email messages. By using the site, you have opted in, and consented to receive our messaging.

In addition, we may also collect and/or receive information about you from third parties. When you access this site, certain data will be decrypted in order to reveal your email address to us. We will then use, share and store your email address as described in this policy. We use a third-party processor to provide us with these decryption services. We have entered a contract with a third-party processor which requires them to protect your information at the same or a greater standard than we do.

We use the information we collect from you while you are using the Site in a variety of ways, including using the information to customize features; advertising that appear on the Site; and, making other offers, including offers from affiliated companies available to you via email, direct mail or otherwise.

Please keep in mind that whenever you voluntarily make your personal information available for viewing by third parties online - for example on message boards, web logs, through email, or in chat areas - that information can be seen, collected and used by others besides us. We cannot be responsible for any unauthorized third-party use of such information.

Some of our third-party advertisers and ad servers that place and present advertising on the Site also may collect information from you via cookies, web beacons or similar technologies. These third-party advertisers and ad servers may use the information they collect to help present their advertisements, to help measure and research the advertisements' effectiveness, or for other purposes. The use and collection of your information by these third-party advertisers and ad servers is governed by the relevant third-party's privacy policy and is not covered by our Privacy Policy. Indeed, the privacy policies of these third-party advertisers and ad servers may be different from ours. If you have any concerns about a third party's use of cookies or web beacons or use of your information, you should visit that party's website and review its privacy policy.

The Site also includes links to other websites and provides access to products and services offered by third parties, whose privacy policies we do not control. When you access another website or purchase third-party products or services through the Site, use of any information you provide is governed by the privacy policy of the operator of the site you are visiting or the provider of such products or services.

Please also note that as our business grows, we may buy or sell various assets. In the unlikely event that we sell some or all of our assets, or one or more of our websites is acquired by another company, information about our users may be among the transferred assets.

Personal Information Our Company Collects And How It Is Used

Introduction

You may be asked to provide certain personal information when you sign up for our Products or Services including name, email address, and billing information (such as a credit card number). The personal information collected from you during the registration process (or at any other time) is used primarily to provide a customized experience while using our Products and Services. We may disclose your personal information under the circumstances described below.

The Types of Information We Collect and Store

Some of the information we may collect about you and store in connection with the provision and fulfillment of our services to you may include:

- Name
- Email Address
- Shipping Address
- Banking Information

How We Use Your Personal Information

The above personal information may be used for the following purposes:

- To operate, improve, or promote our Service
- To provide customer service or support
- To contact you
 - When you have opted in to receive email messaging

- To respond to your email inquiries. Specifically, when you send email inquiries to us, the return email address is used to answer the email inquiry we receive. We do not use the return email address for any other purpose, or share it with third parties.
- To monitor and analyze trends such as:
 - Purchase history
 - Sales reports
 - Behavior on the Site
 - Email clicks and opens
- To market our products and services through:
 - Email marketing
 - Advertising, including retargeting via Google and Facebook
 - Notifications
- Perform accounting, administrative and legal tasks
- To share and sell your personal information, including your email address to third party marketers

Who Has Access to Your Data Within Our Organization

Within our organization, access to your data is limited to those persons who require access in order to provide you with the Products and Services you purchase from us, to contact you, and to respond to your inquiries, including requests for refund. Employees only have access to data on a “need to know” basis.

Who We Share Your Data With Outside of Our Organization, and Why

Unaffiliated Third Parties.

We may share your information with third party business affiliates or providers that function on our behalf. Examples include, but are not limited to, companies that assist us with serving advertisement within the Site, analyzing data, and providing marketing assistance. We may share information about you that they need to perform their functions. We will use contractual or other means to protect personal information disclosed to such third parties. We may also share your information with any subsidiary or affiliate of ours for purposes consistent with this Privacy Policy. Any subsidiary or affiliate of ours will be required to maintain that information in accordance with this Privacy Policy.

Authorities.

We may access, preserve, and disclose information about you to third parties, including the content of messages, if we believe disclosure is in accordance with, or required by, applicable law, regulation, legal process, or audits. We may also disclose information about you if we believe that your actions are inconsistent with our Terms of Service or related guidelines and policies, or if necessary to protect the rights, property, or safety of, or prevent fraud or abuse of, Company or others.

Why We Store Information We Collect From You

We retain certain information that we collect from you while you are on the Site, and in certain cases where you have deleted your account, for the following reasons:

- So you can use our Site;
- To ensure that we do not communicate with you if you have asked us not to;
- To provide you with a refund, if entitled;
- To better understand the traffic to our Site so that we can provide all site visitors with the best possible experience;
- To detect and prevent abuse of our Site, illegal activities and breaches of our Terms of Service;
- and
- To comply with applicable legal, tax or accounting requirements.

When we have no ongoing legitimate business need to process your information, we will either delete or anonymize it.

Cookies and Tracking Tools

We use cookies to help you make using our website easier, such as:

- To remember your country and language preferences
- To deliver information that matches your interests
- To help us understand our audience and traffic patterns
- To let you automatically log into programs and parts of our site that require membership
- To manage and present site info displayed on our website that will be specific to you

We also use Web Beacons to collect non-personal data on how you use our site, such as how long did you visit our page, what web browser you're using, what's your operating system, and who's your Internet service provider. In addition we also use Google Analytics data and the DoubleClick cookie to serve ads based on a user's prior visits to our website. This data is collected from thousands of site visits and analyzed as a whole. This helps us build a better website to match our visitors' needs.

We may also place small "tracker gifs" or "beacons" on many of the pages on our website, in online advertising with third parties, and in our emails. We use these beacons, in connection with Cookies, to collect non-personal data on the usage of our site including but not limited to the date and time of the visit, the pages visited, the referring web page, the type of browser (e.g., Internet Explorer, Safari, Chrome), the type of operating system (e.g., Windows or Mac), and the domain name of the visitor's Internet service provider (e.g., AOL). This information is collected about thousands of site visits and analyzed as a whole. This information is useful in, for example, tracking the performance of our online advertising such as online banner ads and to determine where to place future advertising on other websites.

We utilize identity resolution to identify the visitors to our site for the purposes of presenting content and offers directly to those site visitors.

We may also share certain information and data, such as your email address, with advertisers to deliver advertisements or offers for products and services that may be of interest to you. We may allow third party advertisers, including but not limited to direct advertisers, ad networks, ad exchanges, and private advertising marketplaces to serve advertisements on the Site. These advertisers use technology to send, directly to your browser or mobile device, the ads and ad links that appear on the Site, and will automatically receive your Internet Protocol (IP) address when they do so. They may also use other technologies (such as Cookies, JavaScript, Unique Identifiers, Advertising Identifiers, Location Data, and Clear Gifs) to compile information about your browser's or device's visits and usage patterns on or off the Site and between multiple platforms or devices, such as your computer and your mobile device, measure the effectiveness of their ads, and personalize the advertising content to your interests. You can opt of receiving certain Cookies.

Advertiser Disclosures

Google Analytics

We use Google Analytics Advertiser Features to optimize our business. Advertiser features include:

- Remarketing with Google Analytics
- Google Display Network Impression Reporting
- DoubleClick Platform integrations
- Google Analytics Demographics and Interest Reporting

By enabling these Google Analytics Display features, we are required to notify our visitors by disclosing the use of these features and that we and third-party vendors use first-party cookies (such as the Google Analytics cookie) or other first-party identifiers, and third-party cookies (such as the DoubleClick cookie) or other third-party identifiers together to gather data about your activities on our Site. Among other uses, this allows us to contact you if you begin to fill out our check-out form but abandon it before completion with an email reminding you to complete your order. The “Remarketing” feature allows us to reach people who previously visited our Site, and match the right audience with the right advertising message.

You can opt out of Google’s use of cookies by visiting Google’s ad settings and/or you may opt out of a third-party vendor’s use of cookies by visiting the [Network Advertising Initiative opt-out page](#).

Facebook

As advertisers on Facebook and through our Facebook page, we, (not Facebook) may collect content or information from a Facebook user and such information may be used in the same manner specified in this Privacy Policy. You consent to our collection of such information.

We abide by Facebook’s Data Use Restrictions.

- Any ad data collected, received or derived from our Facebook ad (“Facebook advertising data”) is only shared with someone acting on our behalf, such as our service provider. We are responsible for ensuring that our service providers protect any Facebook advertising data or any other information obtained from us, limit our use of all of that information, and keep it confidential and secure.
- We do not use Facebook advertising data for any purpose (including retargeting, commingling data across multiple advertisers’ campaigns, or allowing piggybacking or redirecting with tags), except on an aggregate and anonymous basis (unless authorized by Facebook) and only to assess the performance and effectiveness of our Facebook advertising campaigns.
- We do not use Facebook advertising data, including the targeting criteria for a Facebook ad, to build, append to, edit, influence, or augment user profiles, including profiles associated with any mobile device identifier or other unique identifier that identifies any particular user, browser, computer or device.
- We do not transfer any Facebook advertising data (including anonymous, aggregate, or derived data) to any ad network, ad exchange, data broker or other advertising or monetization related service.

Data Security and Data Privacy Regulation

Our Company’s Commitment to Data Security

We implement a variety of administrative, managerial, and technical security measures to help protect your personal information. Our Company has various internal control standards which relate specifically to the handling of personal information. These include certain controls to help safeguard the information we collect online. Our employees are trained to understand and comply with these controls and we communicate our Privacy Policy, practices and guidelines to our employees. However, while we strive to protect your personal information, you must also take steps to protect your information. We urge you to take every precaution to protect your personal information while you are on the Internet.

Additionally, while we make every effort to ensure the integrity and security of our network and systems, we cannot guarantee that our security measures will prevent third-party “hackers” from illegally obtaining this information. If we do discover a security breach affecting your data, every effort will be made to provide a notification within a reasonable period of time, and in compliance with law, after our team has learned of the occurrence.

General Data Privacy Regulation (GDPR)

The GDPR took effect on May 25, 2018, and is intended to protect the data of European Union (EU) citizens. As a business practice, we do not target consumers in the EU.

If you are a resident of the European Economic Area (EEA), or are accessing this Site from within the EEA, you may have certain rights with respect to your data. We respond to all requests that we receive from individuals who wish to exercise their data protection rights in accordance with applicable data protection laws. You can contact us by sending an email to Privacy@markettakeover.ai

Rights that you may have, depending on the country in which you live, include:

- Accessing, correcting, updating, or requesting deletion of your information.
- If you request that your account be deleted, you will lose access to all of our programs in which you are actively registered.
- Objecting to processing of your information, asking us to restrict processing of your information, or requesting the portability of your information.
- Opting out from receiving marketing communications that we send you at any time. You can exercise this right by selecting the “unsubscribe” or “opt-out” link in the marketing emails we send you. Additionally, you may update your email preferences by changing the settings in your account.
- Withdrawing your consent at any time if we have collected and processed your information with your consent. Withdrawing your consent will not affect the lawfulness of any processing that we conducted prior to your withdrawal, nor will it affect processing of your information conducted in reliance on lawful processing grounds other than consent.
- Complaining to a data protection authority about our collection and use of your information. For more information, please contact your local data protection authority. Contact details for data protection authorities in the European Union are available [here](#).

Children's Privacy Statement

his children's privacy statement explains our practices with respect to the online collection and use of personal information from children under the age of thirteen, and provides important information regarding their rights under federal law with respect to such information.

- This Site is not directed to children under the age of thirteen and we do NOT knowingly collect personally identifiable information from children under the age of thirteen as part of the Site. We screen users who wish to provide personal information in order to prevent users under the age of thirteen from providing such information. If we become aware that we have inadvertently received personally identifiable information from a user under the age of thirteen as part of the Site, we will delete such information from our records. If we change our practices in the future, we will obtain prior, verifiable parental consent before collecting any personally identifiable information from children under the age of thirteen as part of the Site.
- Because we do not collect any personally identifiable information from children under the age of thirteen as part of the Site, we also do NOT knowingly distribute such information to third parties.
- We do NOT knowingly allow children under the age of thirteen to publicly post or otherwise distribute personally identifiable contact information through the Site.
- Because we do not collect any personally identifiable information from children under the age of thirteen as part of the Site, we do NOT condition the participation of a child under thirteen in the Site's online activities on providing personally identifiable information.

CAN-SPAM Compliance

- We strictly abide by our obligations to comply with anti-SPAM laws.
- All emails that are sent to you by Data Science Institute and affiliates include an unsubscribe link in them.
- You can remove yourself at any time from our mailing list by clicking on the unsubscribe link that can be found in every communication that we send you.
- We will remove you from our mailing list immediately.

· Additionally, all emails from us will have a clear "From" field that identifies us as the sender and will contain our address for contact purposes.

Revisions To This Policy

Our Company reserves the right to revise, amend, or modify this policy, our Terms of Service, and our other policies and agreements at any time and in any manner, by updating this posting.

Where to direct questions about our privacy policy

If you have any questions about this Privacy Policy or the practices described herein, you may contact us through the contact information provided on this website or by emailing support@markettakeover.ai
